It seems therefore that the parties are likely to compromise as stated by Venkataramia and Thimmappaiah, may not come to pass. I am however again addressing the Sub Judge in the matter and shall submit a further report in due course.

In this connection I beg to invite reference to Revenue Secretary's letter No.820/265-21-26 dated 12th December 1923 and to enquire whether at the time of the hearing of the suit the filing of ~~xxxx~~ a written statement by the Government is necessary in regard to adequate representation of -- Mysore interests. The Collector in sanctioning the scheme suit has urged this point but it appears to me that the question of representation of -- Mysore interests can only arise after the scheme suit is settled and that this has to be settled later on in communication with the Collector.

As regards para 3 of your letter regarding the grant of travelling expenses to the Parapathegar a reference has been made to the Sub Division Officer for enquiry and report regarding the admissibility of the claim."

Sir,

In continuation of this office letter C.No.452/23-24 dated - 18th April 1925 regarding the management of the temple at Subrahmanya I have the honor to submit herewith copy of letter C.C.No.484-21/-- dated 11th May 1925 from the Deputy Commissioner of the Hassan ----- District, stating that a leading non-official gentleman of the ----- Manjarabad Taluk and an officer of Government of the rank and status of an Assistant Commissioner should be appointed as Representatives of the Mysore Government on the committee when the same comes into existence and that reference to the Collector of South Canara may be made requesting him to apprise the Government in time when the projected scheme is taken up.

2. The point for consideration now is whether the Mysore Government should press its claims for representation on the Board of ---- management before the Subjudge in whose Court the suit is pending or whether it should wait until the decision is given in the matter. I request that the Legislative Secretary to Government may kindly -- be consulted on the point and orders of Government communicated to me.

3. As regards the strength and personnel of the proposed ---- Committee it is doubtful whether the Mysore Government would be -- allowed to have more than two representatives on the Board. I am therefore of opinion that it would be sufficient if the names of - two representatives one an officer of Government and the other a

non-

non-official gentleman of Manjarabad Taluk-are recommended for - inclusion in the committee. It does not seem advisable to have the Mysore Parpathegar as a Representative of the Government.

Letter No.C.C.484-21/dated 11th May 1925 from the Deputy Commissioner Hassan District to the Muzrai Commissioner in Mysore.

"In continuation of my letter No.C.C.484-21 dated 14th April 1925 and with reference to your letter No.C.1112/24-25 dated 13th March 1925 regarding the management of the Sri Subrahmanya Swami temple at Subrahmanya in the South Canara District, I have the honor to forward herewith a copy of the Saklespur Sub Division Officer's Memo No.A1.C.179-24 dated 30th -- April 1925, stating that a leading non-official gentleman of the Manjarabad Taluk and an officer of Mysore Government of the rank and status of an Assistant Commissioner should be appointed as the representatives of the Mysore Government on the committee of the management, when such committee comes into existence. The Sub Division Officer states that early action should be taken as the scheme suit is posted for hearing to the 15th July 1925. He also states that it is not advisible to have Parupathegar, K. Sreenivasa Rao as representative of the Mysore Government, as he is too small a man residing outside the Mysore State. I concur with him in the above opinion.

2. In view of the clear instructions of Government contained in the

Revenue

Revenue Secretary's letter No.820/Muz.266-21-26 dated the 12th December 1923, no action appears to be necessary at this stage i.e., before the decision is arrived at by the Court whether or not a scheme of management is necessary other than the present one. However, a reference - seems necessary from the Government to the Collector of South Canara, intimating to him the desire of this Government to their being represented by a responsible officer of Government-say the Sub Division Officer, Saklespur and a non-official gentleman of Saklespur (to be nominated) and requesting him to apprise the Mysore Government (represented by the Deputy Commissioner or the Sub Division Officer) in time when the projected scheme is taken up."

Memo No.Al.C.179-24 dated the 30th April 1925 from the Sub Divisior Officer, Saklespur Sub Division, to the Deputy Commissioner, Hassan --- District.

"The mismanagement of affairs in Subramanya Swami temple under -- Sharma is an open secret. A suit has been going on in the Sub Judge's Court at South Kanara about the management of this temple.

The Government of Mysore may press for having their own representatives in the management of the temple. I submit that it would be --- preferably to have two persons an official and non-official, as our --- representatives on the management.

Unless this representation is given to us, it would be very difficult to see that our charities are properly carried out. As it is, the temple is outside the province and our officers have no locus standii in its management. I learn that on many an occasion, an insulting treatment has been given in the temple to our officers. I submit that if the -- representation is not given it may even be considered to divert out --- charities to this temple and give them to Subramanyeswaraswami temples at Gonibidu (Mudagere Taluk) or Ramanathpur.

A petition was presented to me by Messrs. M.Venkata Ramayya and ... Thimmappayya, two non-official gentlemen who are now entrusted with the work of helping the officers in the management of "Paramagar" Santharpane at Subramanya. It sets forth very clearly all the reasons for the necessity of having Mysore Government Representatives on the management of the Temple. It is enclosed herewith.

The T.A.and other expenses, that are necessary for our representatives to attend the meetings of the committee, if representation is given to us, would be very small, as our Government jurisdiction extends up to six - miles of the temple. And they would be quite compatible with the - efficiency and the prestige that our Government will have if there are our own independent representatives on the management.

The allegations set forth by the petitioner Srinivasa Rao may be true. But under the present circumstances, no action can be taken to give our-- redress.

The suit in question comes on for hearing on 15th July 1925. Hence early action has to be taken in the matter."
